Department of Veterans Affairs

Memorandum

Date: June 11, 2024

From: Associate Executive Director, Office of Real Property (ORP)(003C7)

Office of Construction and Facilities Management Real Property Policy Memorandum 2024-03: Leasing Official File Policy (VIEWS 11746735)

To: All VA Leasing Professionals

- 1. The purpose of this memorandum is to update policy for Department of Veterans Affairs (VA) Leasing Professionals regarding electronic lease contract filing for all VA leasing actions. VA Leasing Professionals must utilize VA's electronic Contract Management System (eCMS) as the official lease contract file system of record. This policy provides a revised eCMS Lease Action Briefcase Index that is intended to establish an enterprise-wide standard while also being consistent with General Service Administration (GSA) global lease file requirements.
- 2. VA Leasing Professionals are required to use the attached eCMS Lease Action Briefcase Index (Attachment 1) for all lease file documentation generated in or uploaded to eCMS¹. All documents cited in the eCMS Lease Action Briefcase Index may not be required for every lease acquisition. Lease Contracting Officers (LCO) are responsible for determining applicable documentation based on the lease action and ensuring all files are uploaded to the official lease contract file in accordance with laws, regulations, GSA, and VA leasing policies.
- 3. The revised eCMS Lease Action Briefcase Index replaces Lease Procurement eCMS Compliance Checklist and Briefcase Index dated January 1, 2013, and applies to all eCMS lease files and actions created after the date of this policy.
- 4. To be consistent with VA policies on updating directives and handbooks, Office of Construction and Facilities Management, Office of Real Property (CFM ORP) issued policies and procedures are subject to renewal every five years. Policies and procedures will be updated whenever substantive changes are needed, even if this precedes the five-year renewal requirement. CFM ORP issued policies are located on the VA internet at VA Real Property Policy Program along with other real property policies and guidance.
- 5. In the event policy or other guidance issued by any other VA organization pertaining to real property lease acquisitions conflicts with policy or guidance issued by CFM ORP, CFM ORP policy/guidance shall control.

¹ GSA Request for Lease Proposal, Lease, Provision and Clause Templates are to be downloaded from GSA Real Estate Exchange Template Management Section rather than generated in eCMS.
